

# Chubby GC – Big Beat Entertainment

An 80-90 minute show of original comedy performed in the style of Chubby Brown with the genuine North East accent, the mannerisms, the songs and not forgetting the suit, slippers, helmet and goggles.

The likeness is incredible and the ending is unforgettable with the outrageous 'Full Monty' ... Get your cameras ready !!!

The show is endorsed and fully supported by Roy Chubby Brown himself and at one meeting backstage, Roy was happy to tell Gary that he is proud of his tribute and long may it continue.

Along with Roy, the show also gets full support from Roy's tour crew including his best friend, PA ,driver and singer Keith Hammersley, who will be working with Chubby GC in the very near future.

A tribute like no other and it really is a 'must see' for Chubby Brown fans and adult comedian fans alike.

**WARNING:- Not for the easily offended and over 18's over.**
