

# Elio – Big Beat Entertainment

A truly talented multi-instrumentalist and vocalist who was born to perform.

Elio's musical journey started in Venezuela, when he was just 5 year's old and started teaching string instruments at just 13 year's old.

He is now performing in the UK, either as a solo act or within bands, including Fascination, who are on our roster. He has performed in bands with a wide variety of genres, including rock, merengue, salsa, jazz, latin jazz and so much more.

The backing tracks he uses in his solo shows are all made with Elio playing all the instruments and made within his studio. Elio performs solo shows, including a general covers show with all types of music and a classic rock show – his passion.

Suitable for all occasions and venues, you will not be disappointed by this amazing performer.
