High on DC - Big Beat Entertainment

One of the UK's most authentic tributes to mighty AC/DC.

The band pay an authentic tribute to the legends that are AC/DC. The 2 set show features songs from both Bon Scott era and Brian Johnson era to include all the hits you know and love.

High on DC also take pride in their appearance for the show and all wear costumes for that authentic look, including wigs and instruments to look like the original band.

Ideal for festivals, rock events and any occasion where you want to re-create the sound of AC/DC.

Sample set list

Thunderstruck
Highway to Hell
Back in black
You shook me all night long
Hells Bells
Shoot to thrill
Whole lotta Rosie
Who made who
For those about to rock
Touch too much
Let there be rock
T.N.T
And many more classic hits
