

I'm Your Man – Big Beat Entertainment

With over 20 years' experience, Adrian Michaels performs his tribute to the late great George Michael.

The I'm Your Man show pays homage to George's career from the Wham! Days and through his solo career and the amazing catalogue of songs he left us to enjoy. Featuring costume changes and audience participation this is a very entertaining show and Adrian's vocals and charisma bring the songs to life.

Adrian has taken his show throughout the UK and abroad and as a solo tribute with backing tracks is suitable for all events and venues.

The experienced blend of entertainment and energy Adrian gives makes the I'm Your Man show one you will love, from start to finish.
