

# Jamie Bartlett – Big Beat Entertainment

An established performer who loves performing at larger venues.

Jamie has been performing for over 10 years having studied musical theatre for 3 years. Working as a red coat style performer gave him a fantastic grounding and he took this experience and worked in places such as Disneyland Paris, Barcelona and large private events all over the UK.

His solo vocalist show covers everything from the 60's, Motown, Soul right up to the present day. He can adapt to any given audience and using his cheeky humour and vivacious personality, is sure to instantly win over any audience.
