

# Pippa Langhorne – Big Beat Entertainment

**“Being able to connect to people through singing is the greatest feeling I’ve experienced yet.”**

Pippa is probably best known for her classical singing & her double act with Buddy, the dog, but also performs a floor filling party show, along with other shows.

Covering many genres from the 50's to present day, maybe with a little bit of classical at the end, Pippa is a fantastic choice for any event, including corporate and weddings.
