

Rio 80's - Big Beat Entertainment

Take a step back in time to the decade that brought you men with makeup, ra-ra skirts, New Romantics, Hairy Rockers and Roland Rat!

The Rio 80's show is performed by Kristen, one of Big Beat's most popular artists. She is an established and outgoing personality vocalist, who has been singing for over 20 years.

This tribute shows Kristen's passion for music of the 80's and whilst she covers some of the songs you would expect from an 80's tribute, she will also do songs that you have maybe forgotten, making her show just that little bit different.

If you are looking for an act to get your 80's party going, then Rio 80's is the show for you. Ideal for any kind of venue or event, and Kristen is happy to travel throughout the UK.
