

Sahara - Big Beat Entertainment

Sahara is one of the most exclusive and innovative electric string quartets as the first female string group to incorporate saxophone. This is helping them lead the way

With a love for classical and popular music, they produce fun uptempo arrangements of popular and classical music, combined with breathtaking and high-impact live performances. These have seen them performing at many prestigious events and with many top class performers around the world.

Sahara has created a signature choreographed show taking audiences on a hypnotic journey Bach, Tocatta & Fugue and Palladio to Sahara's Tango & Happy by Pharrell Williams. They can also provide rehearsed DJ Club sets performing remixes of originals & other popular club hits.

They are available in many formats to suit your event.
