

Sunsplash – A Bass Odyssey - Big Beat Entertainment

Sunsplash – The Bass Odyssey is the definitive tribute to Ska, Reggae Revival, Lover's Rock and Dance Hall from the 1960's to the 2000's!

Featuring The Don, this electrifying Leicester based reggae hits tribute show is one you won't forget. Having decided to go solo after many years in bands, The Don, discovered there were very few artists solely performing Reggae's greatest hits of this ever popular genre. This niche inspired him to develop Sunsplash – A Bass Odyssey.

The show has been performed around the world and never fails to create a tremendous atmosphere with keen Reggae loving audiences.

As a solo show it's suitable for pretty much any venue or event, be it a private party, large corporate event or outdoor festival or event. With his dynamism and great voice The Don, is the ultimate choice for all lovers of reggae.
