

The Country Chix

- Big Beat Entertainment

The Country Chix is an all girl trio, loosely based on The Dixie Chicks, but are a cabaret version of a Country music act.

Their show is very unlike anything else and suits all kinds of audiences of all ages. The show is high energy with great humour and they also include some line dancing. They offer great vocals, guitar and dancers and have received excellent feedback from their shows.

The Country Chix perform at all kinds of venues and events from holiday parks, corporate events, clubs, festivals and military bases.

With a modern takes on traditional Country songs like "Stand by your man" they have also revamped other songs like "Sweet Child of Mine" with a Country twist.

The whole show is performed with fun, sass and a whole lot of Southern American attitude!
