

# The Swinging Sixties Show - Big Beat Entertainment

Let's go on a visual and musical journey through the decade that became associated with the birth of British Pop culture, classic American Soul and it's iconic fashions.

**The Swinging Sixties Show** will transport you back to this incredible time as you witness the fantastic **Heatwaves** authentically recreate the timeless music of Soul & Motown girl group hits. Backed by an amazing band, you will hear fantastic renditions of artists such as Diana Ross & The Supremes, Martha Reeves & The Vandellas and The Velvelettes as their musical nostalgia ride takes you through the amazing songs, routines & costumes that were synonymous with this incredible decade.

As the show gathers pace the brilliant R&B / Soul group **The 3 Sixties** provide the audience with a chance to experience the music of the decade that brought us, Beatlemania, Mods & Rockers & the Psychedelic "summer of love" to name but a few. Played with the passion and energy that the music would have provided its original sixties audience's, **The 3 Sixties** deliver the classic sounds of the era with a sharp & dynamic swinging sixties style.
