Viva La Coldplay - Big Beat Entertainment

Viva La Coldplay are without doubt the best and most authentic Coldplay tribute band in the business today.

The band are big Coldplay fans themselves and began touring in 2006 and soon gained a formidable reputation. Over the years they have performed and big events including to over 50.000 people at a street festival. Their reputation and subsequent exposure in the business has seen them perform around the world. They are equally happy performing in pubs and clubs as well as large arenas.

Viva La Coldplay have a vast repertoire of career spanning material from 2000's Parachutes to 2015's A Head Full of Dreams, covering key tracks everyone will know.

"Close your eyes and you'll think it was the real thing."
